Dear Chief Law Enforcement Executive:

Please find a list of officer(s) that have been **recertified** as Lead Homicide Investigators (LHIs) for your agency. This list may not be inclusive of all your LHIs as agencies often submit recertification documentation over a period of time, so you may receive additional letters as recertification forms are received, reviewed, and processed.

<u>NAME</u>	<u>LHI #</u>	<u>RECERTIFICATION DATE</u>
Piotr J. Gacek	103906	3/15/2018

This letter serves as your **notice of recertification** – new certificates will not be issued. Please retain a copy of this letter in your LHI's training records.

As you know, all certified Lead Homicide Investigators must obtain 32 hours of approved homicide investigation in-service training within four (4) years of the issue date on their certificate (or subsequently from the recertification date listed on this letter) in order to maintain the currency of their certification.

In order to assist law enforcement agencies in accessing the widest possible variety of approved in-service homicide investigator training for their certified LHIs, the Training Board, at its quarterly board meeting, approves LHI in-service courses. Please contact your local MTU to find out what LHI courses are being offered in your area.

All courses must be approved by the Board PRIOR to attendance. If there are any questions regarding the in-service training, please contact Pat Hahn, Manager of In-Service Training, at Patrick.L.Hahn@Illinois.gov.

Sincerely,

Eric Pingolt
